We are the leading manufacturer and trader of Non-Destructive Testing NDT Equipment, Testing Equipment, Construction Machinery, Total Station, Fabric Testing Tester, Yarn Testing Equipment And much more.

About Us

Established in **1965** at Ahmadabad, (Gujarat) India, we **Associate Agencies**, engaged in **manufacturing and supplier wide Non-Destructive Testing NDT Equipment, Testing Equipment, Construction Machinery, Total Station, Fabric Testing Tester, Yarn Testing Equipment And much more.** These are available in various specifications.

Our manufacturing unit is equipped with the latest technology and smooth performance machinery that are capable of handling the bulk of requirements made by our valuable clients throughout the world. Our team of several departments is guided and promoted by our well professional and experienced mentor and owner **Mr. Kalpesh Desai** who has wide experience in providing complete solutions of the qualitative range of Inspection, Testing and Measuring Instruments to our esteemed clients at reasonable market prices. His wide experience in Measuring Instruments field enables us to fulfill the requirement of national and international industries.

Quality is our main aim since the inception of our organization as we are leading quality driven organization and provide complete solution of high quality Measuring Instruments. We supply these Testing and Measuring Instruments in various parts of the world in customized packaging that meets international packaging standards. We provide complete satisfaction to our esteemed clients throughout the world by offering unique quality and long-lasting performance Testing...

TESTING EQUIPMENT

Product Range

Compression Testing Machine
1000 KN Digital

Cube Testing Machine 2000
KN Digital

Timber Moisture Meter Hot Air
Oven

Concrete Testing Equipment

TOTAL STATION

Product Range

Concrete Test Hammer

Slump Cone

Bitumen Extractor Hand Operated

Deval Abrasion Testing Machine

CONSTRUCTION MACHINERY

Product Range

Concrete Mixer Machine

Concrete Mixer Machine

Concrete Mixer Machine
Without Hopper

Concrete Mixer

NON DESTRUCTIVE TESTING NDT EQUIPMENT

Product Range

Aluminum Leveling Staff

Rodo Meter

Digital Cube Testing Machine

Thickness Gauge

FABRIC TESTING TESTER

Product Range

Bursting Strength Testers

Weighing Scale

Round Cutters For GSM

Tensile Strength Tester

GENERAL LAB EQUIPMENT

Product Range

Automatic Laser Level

Torsion Testing Machine

Spring Testing Machine

Tensile Testing Machine

COMPRESSION TESTING MACHINE

Product Range

Industrial Compression Testing Machine

Electric Operated Compression Testing Machine

Electric Compression Testing Machine

Compression Testing Machine Hand Operated

SURVEYING INSTRUMENTS

Automatic Level

Prism For Total Station

Land Surveying Instruments

Surveying Instrument Accessories

PAPER BOARD TESTING EQUIPMENT

Thickness Gauge For Paper -
Analogue

Bursting-Strength Tester

Box Compression Strength
Tester For Transport
Packages

Tensile Testing Machines

MEASURING INSTRUMENTS

Food Grain Digital Moisture Meter

Infrared Digital Thermometer

Core Cutter and Hammer

Liquid Limit Apparatus

LAND SURVEYING INSTRUMENTS

Automatic Level

Automatic Level Surveying Instrument

Micro Optic Theodolites

Sokkia Auto Level

CUBE TEST MACHINE

Product Range

Compression Testing Machine

Electric Cube Testing Machine

Compression Cube Testing Machine

Cement Cube Testing Machine

RUBBER TESTING EQUIPMENT

Product Range

Thickness Gauge

Oxygen Index Apparatus for Rubber Testing

Testing Equipment Testing Apparatus

Rubber Hardness Tester

PLASTIC AND PVC PIPE TESTING EQUIPMENT

Product Range

Abrasion Tester For Plastic Sheet- Taber Type

Spread of Flame Tester

Tensile Testing Machine For Plastic

Impact Testers

ROYAL AUTO LEVEL

Product Range

Royal Auto Level KI Series

Royal Auto Level RL Series

Royal Automatic Level

Leica Dumpy Level

YARN TESTING EQUIPMENT

Product Range

Concrete Mixer Machine

Bar Bending Machine

Tensile Strength Tester With Grip Of Yarn

Screed Vibrator (Channel Vibrator)

CUBE MOULD

Cube Mould

Cube Moulds (15x15) CM As Per IS

Cube Moulds (15x15) CM ISI Mark

Cube Moulds (7.06 X 7.06) As Per Is

COATED FABRICS TESTING EQUIPMENT

Product Range

Bursting Strength Tester

Coating Thickness Gauge

Tearing Tester

Pressure Head Tester-Low Pressure

LEATHER TESTING EQUIPMENT

Product Range

Water Vapour Absorption Tester

Grain Strength Tester

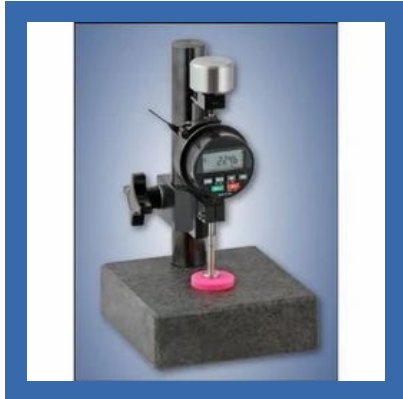

Crock Meter For Leather

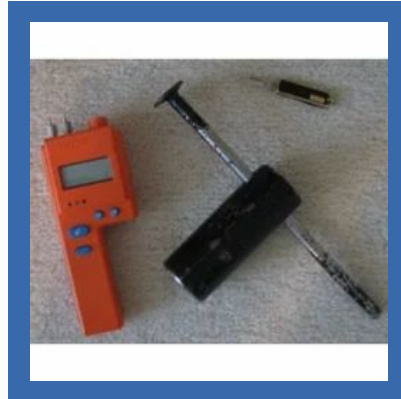

Bending Resistance Tester

FOAM TESTING EQUIPMENT

Product Range

Soft Material Thickness Gauge

Sample Tensile Testing Machine

Flammability Tester

Indentation Hardness Tester

FOOTWEAR TESTING EQUIPMENT

Product Range

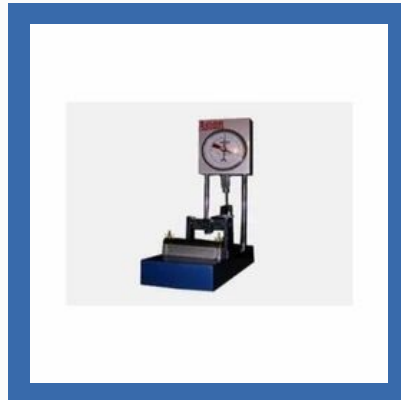

Toe Cap Impact Tester

Compression Set Apparatus

Motorized Abrasion Tester
With Digital Counter

Sole Adhesion Tester

Factsheet

Year of Establishment : 1965

Nature of Business : Manufacturer

Total Number of Employees : 26 to 50 People
